14. SMOKE ALARMS- In line with the strict legislation around smoke alarm compliance, landlords must ensure the following:

- Inspect and confirm smoke alarm compliance before every new lease and lease renewal
- Confirm the correct number of smoke alarms and location of the smoke alarm
- Specify in the lease whether the smoke alarms are hardwired or battery operated, if the battery is regular or 9V, if hardwired has the backup battery been checked, record the date of the smoke alarm annually, have photos of the alarms and the battery, repair a damaged smoke alarm within 48 hours, replace all smoke alarms when they reach 10 years old and provide a written confirmation of compliance
- This is also required for strata properties and will no longer be the responsibility of strata as it was previously
- As this is a significant liability issue, we must ensure compliance

First State Smoke Alarms will provide an annual subscription at a cost of $110 INC GST per year which includes unlimited call outs to your property throughout the year as needed.

This service is COMPULSORY and will be deducted annually from your account
